Date: March 2, 2022

Commission Action Date: March 8, 2022

TO: Arts & Culture Commission

FROM: Emily Fox, Recreation Manager

SUBJECT: 2022 Revised Arts & Culture Commission June Meeting Date

RECOMMENDATION

It is recommended that the Arts & Culture Commission approve the revised June 14 meeting date for the 2022 calendar year.

DISCUSSION/ANALYSIS

At the January 11, 2022 regular meeting, the Arts & Culture Commission approved the 2022 meeting calendar as presented. On the presented meeting calendar, the June date was listed as June 8, the second Wednesday of the month versus June 14, the second Tuesday of the month. Because the Arts & Culture Commission meets the second Tuesday of each month, staff recommends the Commission approve the revised June 14 meeting date for the 2022 calendar year.
